

DRAFT

Firecrest Clinical recognises the importance of protecting the privacy of information that may be collected from visitors to this website [www-](#) . Please review this privacy policy carefully. In collecting and processing any personal information at this website, Firecrest Clinical complies with the EU Data Protection Directive, 95/46/EC.

This Privacy Statement applies to all information collected or submitted on this website. We may obtain personal information about you only where specifically requested and where provided voluntarily by you. We will ask you when we need information that personally identifies you ("personal information", "personal information data" or "data" as used herein) to allow contact with you. Personal information collected on this website is limited to name, age, gender and either telephone number or e-mail address.

Firecrest Clinical uses 'cookies' to collect information about your use and to distinguish you from other users of this site. Cookies are not linked to any personally identifiable information about you while on this site but are small pieces of data that contain basic information about your computer and its connection to the internet such as domain name and IP address. For more information on cookies and their use and how to manage and delete them, please follow this link, <http://www.aboutcookies.org/>

Use of your Personal Information

We will only use your personal information for the following purposes:

1. The information you submit will be held by Firecrest / ICON for the purpose of processing your application for participation in a clinical trial.
2. Parts of your data may be disclosed to the organisers of any clinical trial that you may be involved in.

Personal information voluntarily disclosed will be used solely for the above mentioned purposes. We do not sell or otherwise transfer this information to any other third party.

Data Privacy Principles

Firecrest Clinical respects the privacy rights and interests of visitors to this website and the following principles will be applied by Firecrest Clinical when dealing with personal information:

1. Data will be collected for the purposes specified above and used accordingly. The collection and processing of the data will be limited to these purposes as outlined above.
2. Data collected will be adequate, relevant and not excessive relative to the purposes for which they are processed.
3. Data will not be kept longer than is necessary for the purposes for which it is being processed or relevant regulatory requirements.

Security

Appropriate technical and physical measures will be taken to prevent unauthorised access, accidental loss, destruction or damage to data and any unauthorised organisation, disclosure or processing.

We store the information you provide in a secure electronic database in order to satisfy regulatory requirements related to this study.

Your Access to Personal information Data

You have the right to access the personal information that Firecrest Clinical holds about you and request that it be corrected or deleted, subject to certain legal requirements.

Changes to this policy

Any changes we make to this privacy policy in the future will be posted on this page.

Contact

If you have any queries relating to this policy, please contact us by writing to us at Firecrest Clinical, Unit One, Mary Rosse Centre, Holland Road, National Technology Park, Limerick, Ireland.
